1. THE START OF THE RELAY WILL BEGIN AT THE FIRST BARREL AND THE FINISH WILL BE AT THE FIRST BARREL (reason: the majority of the relay racers will be accustomed to starting at the 1st barrel and stopping at the 4th. The relay racers are generally the same group of people each year).
2. THE PASSING OF THE BATON WILL OCCUR BETWEEN THE 4TH AND 1ST BARREL ONLY (i.e. the pass can't happen at the 4th, nor can it. The passing of the baton will occur between the 4th and 1st barrel only (i.e. The pass can't happen at the 4th, nor can it happen at the 1st, it must be between the barrels).
3. You have to be ready to enter the arena when your team is called, if not, you will be disqualified and will forfeit your entry fee.
4. You can encourage your horse to run; however, the designated relay baton is all that you can pass between riders.
5. The barrel will be staked at the very beginning and will remain the same for the duration of the race for both performances.
